Request to Opt-out of the Paper Version of the State or County Voter Information Guide (VIG)

Voters may request to opt-out of receiving the State and/or County Voter Information Guide. Opting out of receiving a Voter Information Guide through the mail does not affect your vote-by-mail ballot or your voter registration.

If you provide an email address, Yolo County will send you a link to access the County Guide prior to each election. The State Guide is available at voterguide.sos.ca.gov prior to each election.

OPT-IN: You may also use this form to restore your mailings to either or both Voter Information Guides. Please do not hesitate to contact us at elections@yolocounty.org or (530) 666-8133.

Depending on when the County receives this form, your selection may not take effect until the next scheduled election.
