#### **Do you want your ballot to be counted? WE DO!**

##### **Make sure to do the following:**

- 1. SIGN YOUR ENVELOPE.** You must sign your return envelope, or your ballot cannot be counted. State law requires the Yolo County Elections Office to match the signature on your registration card to the signature on the outside of your return envelope before we count your ballot.
- 2. SIGNATURE AUTHORIZING ANOTHER TO RETURN YOUR BALLOT.** While most mail ballot voters return their voted ballots by mail, you may choose to return your ballot in person to the Yolo County Elections Office in Woodland or to any voting or ballot drop off locations in California. You may also authorize certain people to return your ballot, but you must sign your envelope where required and the designee must sign the authorization section on the return envelope, or we cannot accept your ballot from that person.
- 3. PLAN TO HAVE YOUR BALLOT ARRIVE ON TIME.** If you hand-deliver your ballot on Election Day, it must be received by the Elections Office in Woodland or at any voting or ballot drop box location in California no later than 8:00 PM for it to count. **IMPORTANT MESSAGE FOR VOTE BY MAIL VOTERS**

Senate Bill 152 (SB152, passed on June 28, 2021) permits the 2021 gubernatorial recall election to be an all-mail ballot election. This means every active registered voter for the September 14, 2021 California Gubernatorial Recall Election will automatically receive an official ballot in the mail. If you plan on voting in-person, please bring your official Vote by Mail packet with you to the voting location. ## Center for Inclusive Democracy Maps

Maps from the Center for Inclusive Democracy (CID) are derived from an online tool. The map below uses the “siting tool” and only shows SUGGESTED VOTE CENTER AND DROP BOX LOCATIONS.

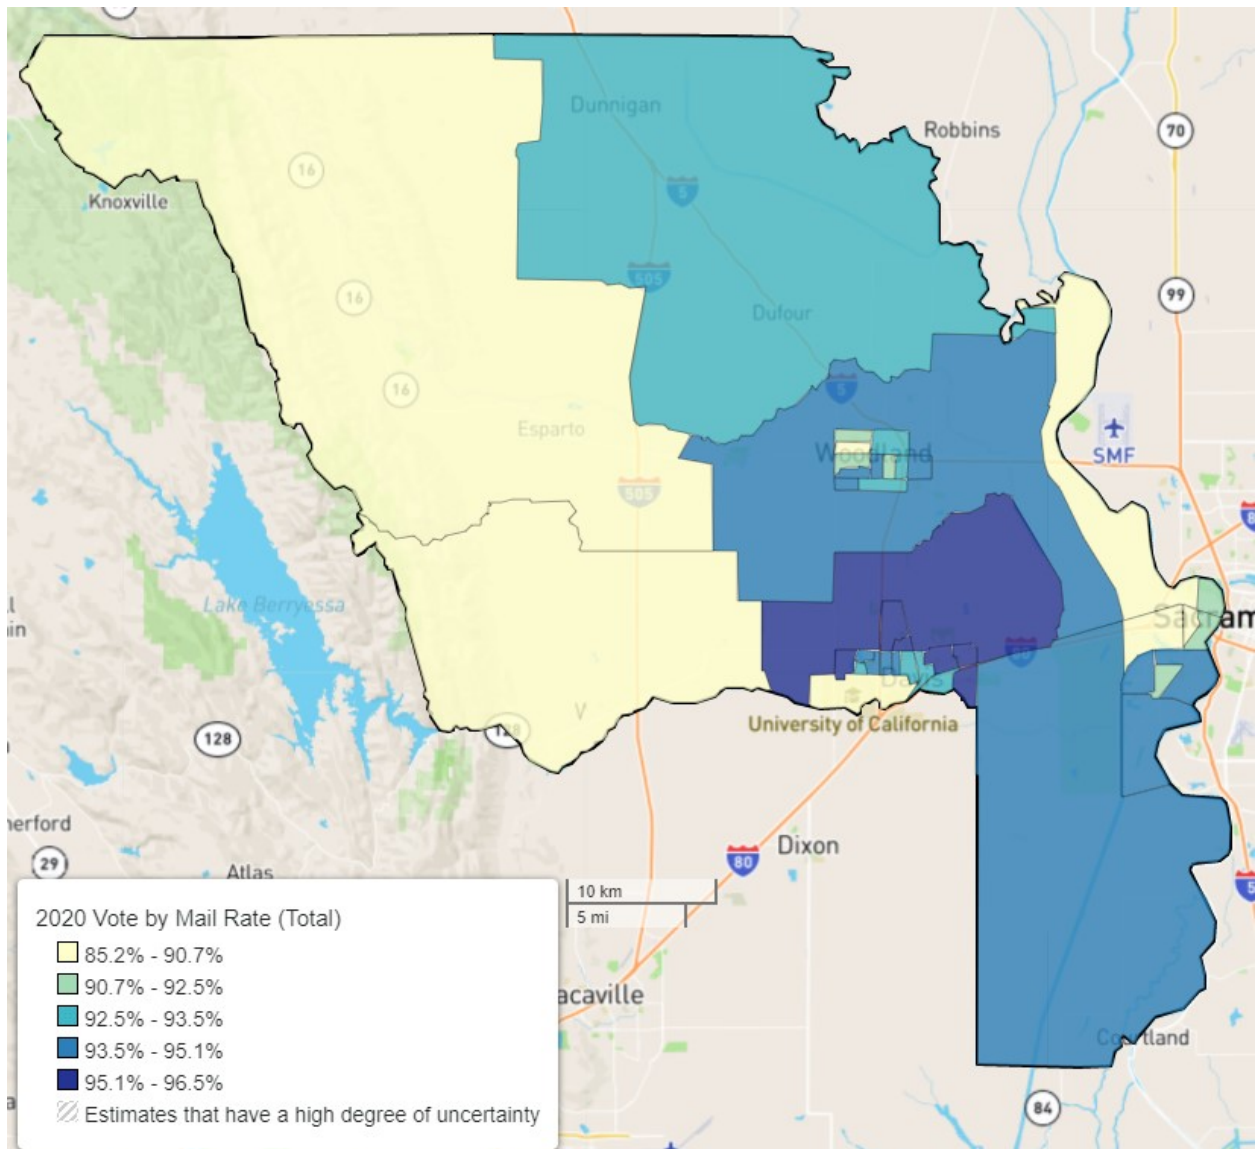

<https://ca.cidsitingtool.org/county.html?county=113>

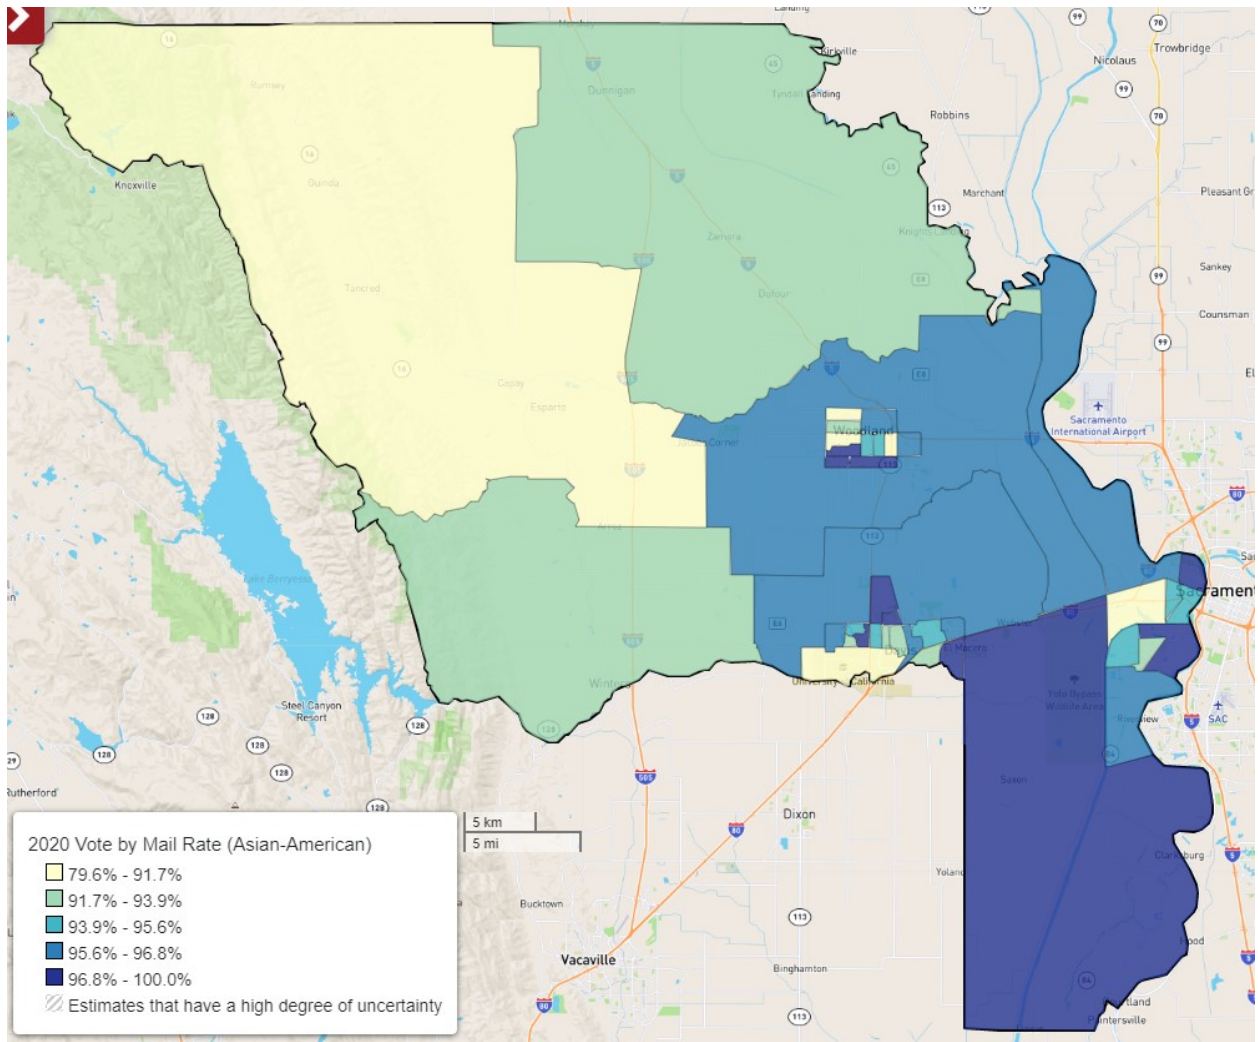

## Areas with Low Vote by Mail Usage

The CID siting tool also has maps showing a visualization of demographic and election related data by census tract. Some of the data are from the 2010 Census others from the American Community Survey 5-year Estimate (2015-2019). YCE will also prepare maps about vote-by-mail ballot usage by precinct or heat map. (not shown here).

## 2020 Vote-by-Mail Rate – Asian-American

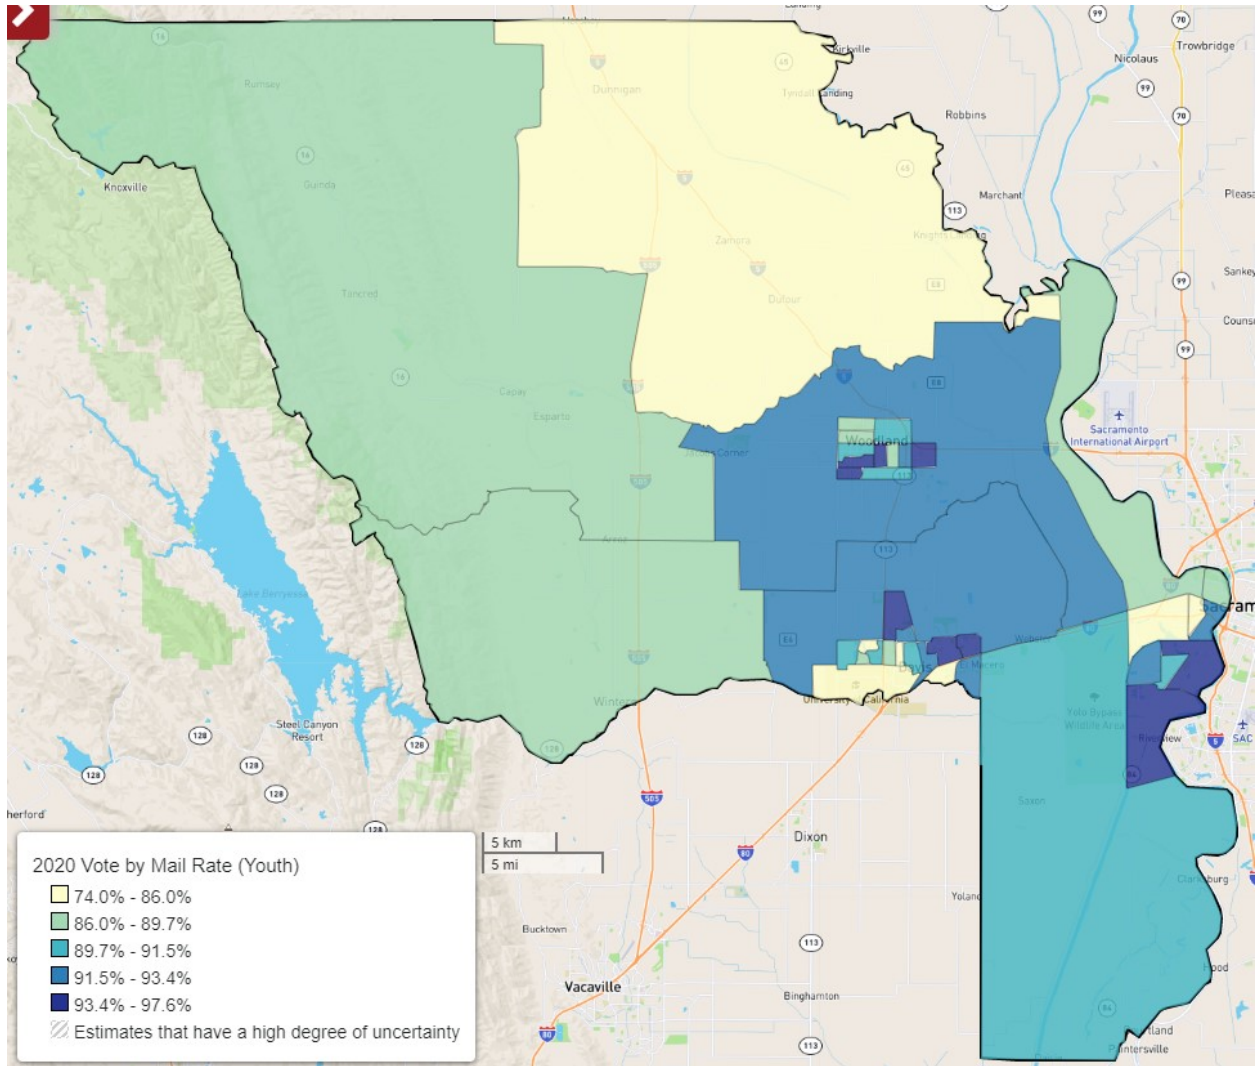

# 2020 Vote-by-Mail Rate – Latino

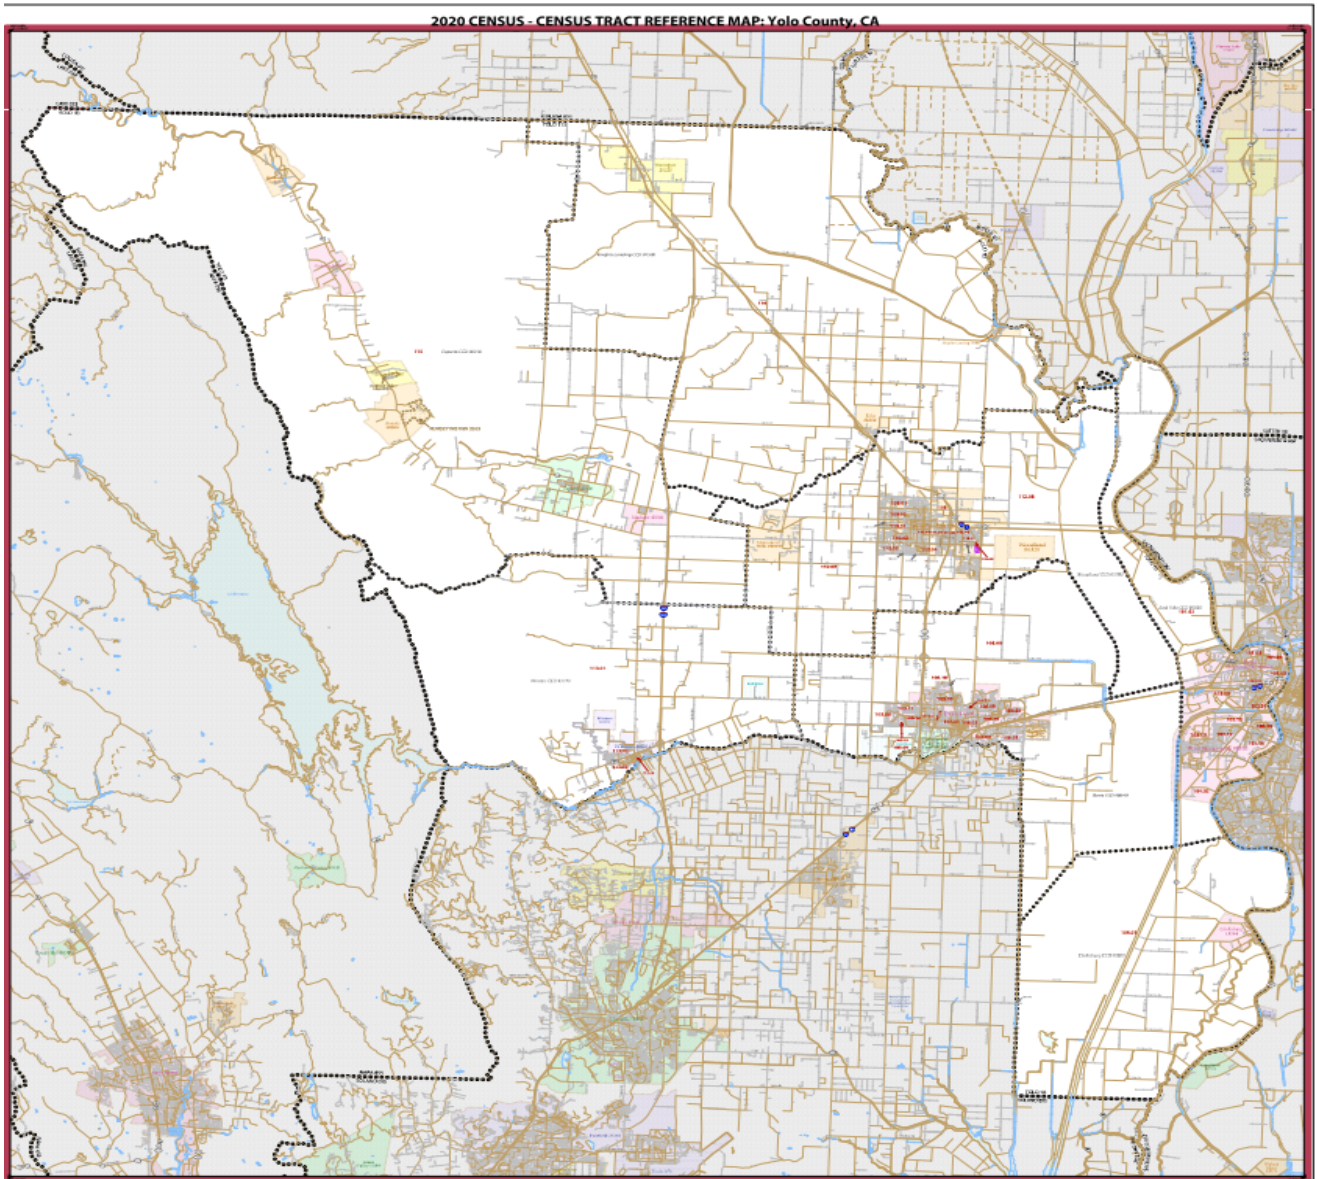

# 2020 Vote-by-Mail Rate – Youth

## Spatial Analysis of County Demographics

Much of the data available related to the siting requirements of Vote Centers and Ballot Drop Boxes is parsed by census tract. Some of the data related to the VCA requirements are in tables. The tables reference census tracts. Below is a 2020 Census Tract Reference Map for Yolo County.

## Language Minority Communities

EC §4005(a)(10)(I)(i)(V)

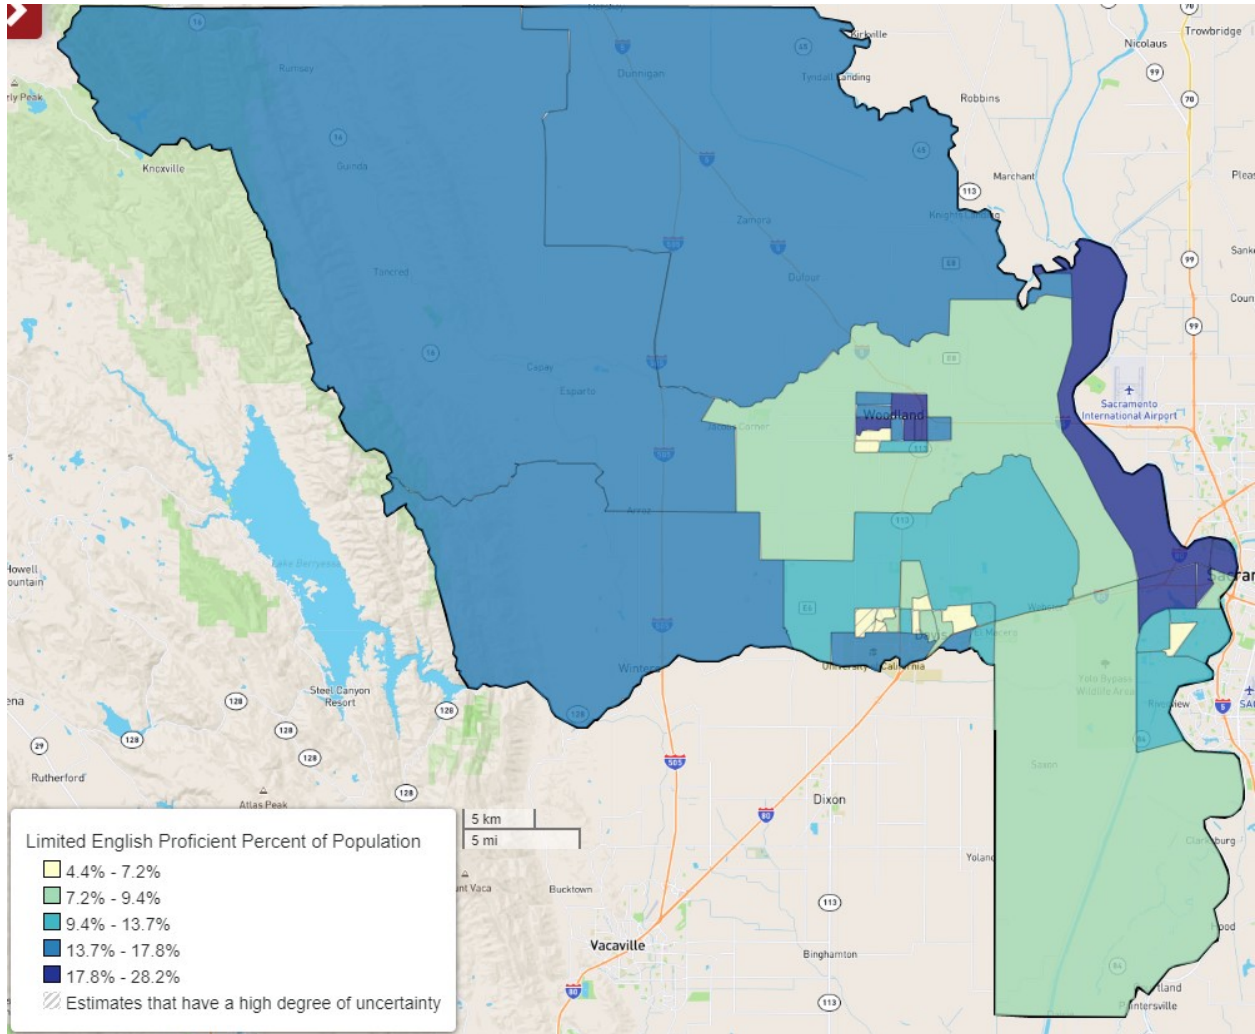

As of 2021, the Secretary of State has not provided the specific maps for Yolo County language minority communities. Due to our investment in outreach and understanding of our communities, YCE is aware of the location and the needs of minority language groups in Yolo County. Below is a table showing 2019 ACS data by census tract for limited English proficiency (LEP) population.
